

CSI 2140

STAY CURRENT With Best-In-Class Technology

Emerson redefines the meaning of best-in-class. With more than 25 years of experience delivering the industry's most powerful vibration analyzers, Emerson's CSI 2140 Machinery Health Analyzer has reset the bar with:

- Simultaneous four-channel data collection plus phase
- Longest battery life with Lithium-Ion power
- Largest touchscreen and 13x brighter. Visible in all lighting environments
- Fastest data collection speed
- Thinnest analyzer fits comfortably in one hand
- Wireless and Bluetooth communication
- And more!

Easy to STAY CURRENT

Existing Emerson customers can STAY CURRENT by trading in their CSI 2130 or CSI 2120 for a new CSI 2140 at significant discounts. But act quickly as this is a limited time offer you won't want to miss. Contact your local Emerson representative for more details.
